PROFESSIONAL DESIGNATION EXAMINATION EXEMPTION APPLICATION FORM

PLEASENOTE:PDE exemption does not supersede the requirements for attaining the NQFLevel 4 or 5 academic qualifications. All pincipals/non-principals that would like to make application for the PDE exemption should submit their request in writting by completing and sending the completed form to exemptions@eaab.org.za. Their records will be verified for compliance and advised in writing whether they meet the exemption requirements or not (with reasons provided where applicable).

NB: Criteria for exemption is based on an estate agent being continuously (without a break) **in possession** of a valid fidelity fund certificate for a five (5) year period between 15 July 2003 - 15 July 2008 only. If a fidelity fund certificate was not issued due to non-compliance (e.g. late submission of auditor's report or late renewal payment), an estate agent **cannot** be granted PDE exemption.
